 YOU MUST SUBMIT YOUR APPEAL BY JUNE 8, 2023
 (You may also file on-line at www.arapahoegov.com/assessor)

PIN # 031027420 OWNER: VASKEY LEE

Property Classification: 1212 - 1212 Single Family Residential PROPERTY ADDRESS: 3269 S ELATI ST

APPRAISAL PERIOD: Your property has been valued as it existed on January 1 of the current year, based on sales and other information gathered from the 24-month period beginning July 1, 2020 and ending June 30, 2022 (the base period). The current year value represents the market value of your property, that is, an estimate of what it would have sold for on the open market on June 30, 2022. If data is insufficient during the base period, assessors may use data going back in six-month increments from the five-year period ending June 30, 2022. Sales have been adjusted for inflation and deflation when there has been an identifiable trend during the base period, per Colorado Statute. You may file an appeal with the Assessor if you disagree with the current year value or the property classification determined for your property.

What is your estimate of the value of your property as of June 30, 2022 \$ _____

Reason for filing an appeal: _____

ALL PROPERTY TYPES (Market Approach)

The market approach utilizes sales of similar properties from July 1, 2020 through June 30, 2022 (the base period) to develop an estimate of value. Colorado Law requires the Assessor to exclusively use the market approach to value residential property. All sales must be adjusted for inflation or deflation to the end of the data-gathering period, June 30, 2022. If you believe that your property has been incorrectly valued, and are aware of sales of similar properties that occurred in your immediate neighborhood during the base period, please list them below.

PIN #	Property Address	Date Sold	Sale Price

COMMERCIAL PROPERTY (does not include single-family homes, condominiums or apartments)

Commercial and industrial properties are valued based on the cost, market and income approaches to value. Using the income approach, the net operating income is capitalized into an indication of value. If your commercial or industrial property was not leased from July 2020 through June 2022, please see the market approach section above. If your property was leased during the data gathering period, please attach an operating statement indicating your income and expense amounts. Also, please attach a rent roll indicating the square footage and rental rate for each tenant occupied space. If known, attach a list of rent comparables for competing properties. You may also submit any appraisals performed in the base period on the subject property, and any other information you wish the Assessor to consider in reviewing your property value.

Please provide contact information if an on-site inspection is necessary:

VALUATION INFORMATION: Your property has been valued as it existed on January 1 of the current year. The value of residential property is based on the market approach to value. For property tax year 2023, the actual value of the residential real property will be reduced by \$15,000 or the amount that reduces the valuation for assessment to \$1,000. The value of all other property is based on consideration of the market, cost, and income approaches to value. The actual value for commercial improved real property will be reduced by \$30,000 or the amount that reduces the valuation for assessment to \$1,000. The actual value above does not reflect the deduction.

Your property was valued as it existed on January 1 of the current year. Your taxes will be calculated using a percentage of current year actual value. The Residential Assessment Rate is 6.765%, Agricultural is 26.4% and all other Agricultural Business is 27.9%. Commercial Renewable Energy and Commercial Renewable Personal Property is 26.4% and all other commercial property is 27.9%. A change in the residential assessment percentage is not grounds for appeal or abatement of taxes, §39-5-121(1), C.R.S. Real property includes land and improvements. Improvements are defined as all structures, buildings, fixtures, fences, and water rights erected upon or affixed to land, whether or not title to such land has been acquired, §39-1-102(7), C.R.S.

The tax notice you receive next January will be based on the current year actual value. If the Senior Citizen or Disabled Veteran Property Tax Exemption has been applied to your residential property, it is not reflected in the current year actual value shown above.

ESTIMATED TAXES: The amount shown is merely an estimate based upon the best available information. You have the right to protest the adjustment in valuation, but not the estimate of taxes, § 39-5-121 (1), C.R.S.
