What is your estimate of the value of your property as of June 30, 2022

Property Classification: 2220 - 2220 Offices PROPERTY ADDRESS: 105 W JEFFERSON AVE

APPRAISAL PERIOD: Your property has been valued as it existed on January 1 of the current year, based on sales and other information gathered from the 24-month period beginning July 1, 2020 and ending June 30, 2022 (the base period). The current year value represents the market value of your property, that is, an estimate of what it would have sold for on the open market on June 30, 2022. If data is insufficient during the base period, assessors may use data going back in six-month increments from the five-year period ending June 30, 2022. Sales have been adjusted for inflation and deflation when there has been an identifiable trend during the base period, per Colorado Statute. You may file an appeal with the Assessor if you disagree with the current year value or the property classification determined for your property.

		ALL PROPERTY TY	PES (Market Approach)		
The market approach	utilizes sales of similar properties	s from July 1, 2020 through Ju	ne 30, 2022 (the base period) to deve	elop an estimate of value.	
Colorado Law requires	s the Assessor to exclusively use	the market approach to value r	esidential property. All sales must be	e adjusted for inflation or	
deflation to the end of	the data-gathering period, June 3	30, 2022. If you believe that you	ur property has been incorrectly valu	ued, and are aware of sales of	
similar properties that	occurred in your immediate neig	hborhood during the base perio	d, please list them below.
