What is your estimate of the value of your property as of June 30, 2024

Property Classification: 1212 - 1212 Single Family Residential PROPERTY ADDRESS: 756 VAUGHN ST

APPRAISAL PERIOD: Your property has been valued as it existed on January 1 of the current year, based on sales and other information gathered from the 24-month period beginning July 1, 2022 and ending June 30, 2024 (the base period). The current year value represents the market value of your property, that is, an estimate of what it would have sold for on the open market on June 30, 2024. If data is insufficient during the base period, assessors may use data going back in six-month increments from the five-year period ending June 30, 2024. Sales have been adjusted for inflation and deflation when there has been an identifiable trend during the base period, per Colorado Statute. You may file an appeal with the Assessor if you disagree with the current year value or the property classification determined for your property.

ALL PROPERTY TYPES (Market Approach) The market approach utilizes sales of similar properties from July 1, 2022 through June 30, 2024 (the base period) to develop an estimate of value. PINZ Property Address Date Sold COMMERCIAL PROPERTY (does not include single-family homes, condominiums or apartments) Commercial and industrial properties are valued based on the cost, market and income approaches to value.
