What is your estimate of the value of your property as of June 30, 2022

OWNER: DOMENICO REAL ESTATE PARTNERSHIP II LLLP

Property Classification: 2230 - 2230 Special Purpose PROPERTY ADDRESS: 1480 CLINTON ST

APPRAISAL PERIOD: Your property has been valued as it existed on January 1 of the current year, based on sales and other information gathered from the 24-month period beginning July 1, 2020 and ending June 30, 2022 (the base period). The current year value represents the market value of your property, that is, an estimate of what it would have sold for on the open market on June 30, 2022. If data is insufficient during the base period, assessors may use data going back in six-month increments from the five-year period ending June 30, 2022. Sales have been adjusted for inflation and deflation when there has been an identifiable trend during the base period, per Colorado Statute. You may file an appeal with the Assessor if you disagree with the current year value or the property classification determined for your property.

VALUATION INFORMATION: Your property has been valued as it existed on January 1 of the current year. The value of residential property is based on the market approach to value. For property tax year 2023, the actual value of the residential real property will be reduced by \$15,000 or the amount that reduces the valuation for assessment to \$1,000. The value of all other property is based on consideration of the market, cost, and income approaches to value. The actual value for commercial improved real property will be reduced by \$30,000 or the amount that reduces the valuation for assessment to \$1,000. The actual value above does not reflect the deduction.
